# STEP UP AND **LEAD ON** HELPING YOUNG LEADERS **GROW & SERVE**

MIDDLE SCHOOL STUDENT LEADERSHIP DAYS 2024

## PLAN

Students attend workshops on topics including Time Management and Public Speaking. Students will learn to balance their time and learn the tools of public speaking in multiple groups to help communicate their goals.

## PRACTICE

The Leadership Challenge applies group dynamic and conflict management techniques to fun and exciting challenges played by students. Students leave with an understanding of teamwork and working with different personality types.

## SERVE

All leaders learn that they cannot lead unless they serve. Students learn how to put their Catholic faith in action in becoming servant leaders. Students are inspired with a module designed to encourage these future change makers to use their God-given gifts to affect change in their families, schools, parishes and communities.

REAL WORLD STRATEGIC PLANNERS.  
EFFECTIVE COMMUNICATORS.  
SERVANT LEADERS. LIFE-LONG MENTORS.
